orrespondence ending with letter No. D3. C. 1959—46-47, dated 10th uary 1948, from the Deputy Commissioner, Mysore District, in regard Drainage Scheme for the Hunsur Town.

ORDER NO. L. 1196-8—MI. 45-47-46, DATED BANGALORE, THE 5TH AUGUST 1948.

The Director of Public Health submitted two estimates in l 1938—one for Rs. 42,050 for a comprehensive drainage me and another for Rs. 4,430 for the construction of the stage of drains—in Hunsur Town. The comprehensive me was ordered to be deferred but the estimate amounting s. 4,500 for the first stage of the scheme was sanctioned, expenditure being met by the Government and the icipal Council in equal proportions. The Government ribution of Rs. 2,250 was met from out of the Town Im- ement Grants for the year 1939-40, an equal amount ng been paid out of the Municipal Funds before the close e year 1938-39.

The Deputy Commissioner, Mysore District, in his letter l the 2nd May 1946, reported that the first stage of the was completed before the close of the year 1940-41 and quested that the second stage of the scheme estimated to Rs. 66,600 may be taken up.

As this estimate was based on the rates in force in the 1937 and was unworkable, the Deputy Commissioner has, onsultation with the Hunsur Town Municipal Council, arded for sanction a fresh estimate for Rs. 76,700 duly inised by the Chief Engineer for Roads and Buildings. expenditure in this behalf is proposed to be met by the rnment and the Hunsur Town Municipal Council in equal ortions. As the finances of the Municipality do not admit ich a heavy expenditure immediately, the Muinicipal ncil have also requested the Government for the grant of a loan of Rs. 29,700 repayable in 15 instalments, their share of the cost amounting to Rs. 38,350 being financed as noted below :—

	Rs.
(1) Loan to be given to the Municipality repayable in 15 instalments	29,700
(2) Amount already paid but for which no work has yet been done	4,800
(3) Amount which will be met from out of the closing balance of the Municipality for the year 1947-48	3,850
Total ...	38,350

Government consider that, in the interests of the improvement of sanitation of Hunsur Town which is a Malnad area, it is essential to sanction the drainage scheme in question. They are accordingly pleased to sanction (1) the estimate for Rs. 76,700 for the said work; (2) the payment of Rs. 38,350 as a grant by Government from the allotment made under the Town Improvement Grants for the year 1948-49 and (3) the grant of a loan of Rs. 29,700 to the Municipality carrying interest at 4 per cent and repayable in 15 annual instalments.

The Deputy Commissioner, Mysore District, and the Chief Engineer for Roads and Buildings are requested to take all necessary further action in the matter, in consultation with the President of the Hunsur Town Municipal Council.

GENERAL SECRETARIAT

Sanctions a scheme for the opening of additional Demonstration Farms in Taluk Headquarters.

READ—

Letter No. C. F. 503—44-45, dated 6th April 1946, from the Secretary, Co-ordination and Finance Committee, forwarding for the consideration of Government, a scheme for the opening of additional Demonstration Farms in Taluk Headquarters.

2. Government Order No. A. F. 6542-47—Agri. 190-46-2, dated 19th May 1947, conveying the administrative sanction of Government to this scheme.

3. Correspondence ending with letter No. C. F. 68—45-46, dated 8th August 1947, from the Director of Agriculture, forwarding detailed proposals in the matter for the consideration and sanction of Government.

ORDER NO. A. F. 283-88—AGRI. 43-46-4, DATED BANGALORE, THE 26TH JULY 1948.

The Director of Agriculture has proposed, for the consideration of Government, a scheme for the opening of Demonstration Farms in 50 Taluks spread over a period of five years in order to induce the raiyats to take to improved scientific methods of agriculture. In these farms, it is intended to demonstrate and popularise the improved methods recommended by the Department, to conduct experiments to develop the varieties of seeds suited to particular regions and also to undertake an intensive study of the local problems and needs of the raiyats. The idea is to have a Demonstration Farm with an area of 5 acres of wet land and 10 acres of dry land at each Taluk Headquarters, which would be frequently visited by the raiyats of the taluk to study and acquaint themselves with the various improved methods adopted in the Farm.

2. Both the Policy Committee and the Co-ordination and Finance Committee have approved of the scheme, which involves an expenditure of Rs. 3,87,500 non-recurring and Rs. 2,81,100 recurring during a period of five years. The receipts from the sale of farm produce at these farms in the same period of five years are estimated to be about Rs. 2,25,000.

3. The proposals of the Director of Agriculture were examined by Government and the Director was asked to send up revised proposals for starting five farms every year instead of ten, thus spreading the scheme over a period of ten years instead of five, as proposed.

4. The Director of Agriculture has accordingly submitted detailed proposals for starting five new farms every year, with revised estimates of costs, recurring as well as non-recurring, after examining the various items of expendi-

e altered conditions. Besides, it is essary to provide each farm with a fice and labour quarters, which had mplated and had therefore not been al estimate.

osals of the Director involve a total 08,850 recurring and Rs. 11,04,400 cting the anticipated receipts from as shown in the appended statement.

6. After a careful examination of the matter, Gov ment are pleased to sanction the revised scheme formulated by the Director of Agriculture and referr above.
